

ANNEX B

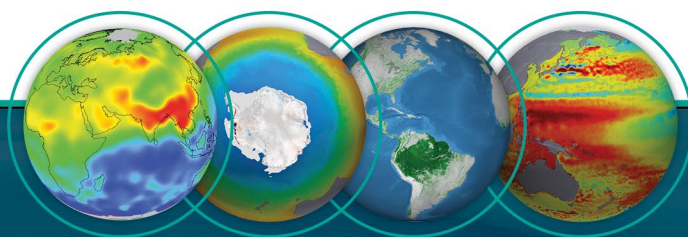

The Climate Change Initiative Research Fellowship Project Proposal

Project name: [PROJECT ACRONYM]
Submitted by: [HOST ORGANISATION]
Prepared by: [CANDIDATE NAME AND SURNAME]
Date: Date
Reference: [REF]

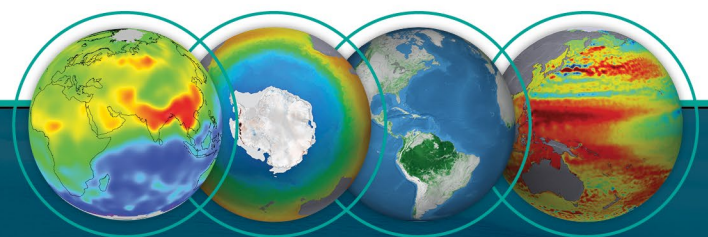

Annex B: Climate Change Initiative Fellowship Project Proposal

General Information	
Project Title	
Acronym	
Candidate name and complete contact details (title, address, telephone & fax number, email address, date of birth)	
Host Organisation representative name and complete contact details (title, address, telephone & fax numbers, email address)	
Host Organisation registered address	
Name and Title of the person who would sign the future contract (if awarded) on behalf of the Host Organisation	
Validity of the proposal (at least 120 days)	
General Project Presentation	
Abstract: <i>(max 500 words)</i>	
Expected starting date:	
Project Objectives: <i>(max 150 words)</i>	
Project outputs: <i>(max 150 words)</i>	
Expected contribution to the CCI, innovation and scientific impact: <i>(max 500 words)</i>	
Complementarity with other relevant ESA and non ESA funded activities: <i>(max 150 words)</i>	

Annex B: Climate Change Initiative Fellowship Project Proposal

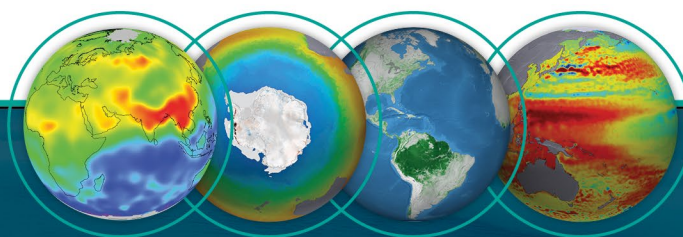

Scientific Proposal (Maximum 5 pages + 2 additional pages for figures and references)
Problem Statement and scientific background:
Work Plan and proposed scientific and methodological approach:

Annex B: Climate Change Initiative Fellowship Project Proposal

Additional Information

Planned publications	
Planned participation to Conferences and International Symposium	
Please, include a travel and a cost plan.	
Relevant Facilities and Experience of the Host Organisation	
Data Requirements and availability	
ESA and 3rd party mission data requirements	Please, indicate the type of data product as well as the required amounts identifying both the archive data and the new acquisitions required.
Non-ESA EO data needs and availability	
Additional available in-situ or ancillary data	
Intellectual Property Rights	
Please list all existing work (e.g. algorithms, software, satellite images) which you intend to use to carry out your project and indicate any conditions which the owners of that work will require to allow you to use their work during your project.	
Information required for completing the Partnership Agreement	
The draft Partnership Agreement included as Appendix 2 in this Call for Research Proposals Package indicates a number of spaces where you will need to provide information to complete the Agreement. Please use this section to provide the missing information needed to complete the Agreement. Where the Agreement indicates that there are options to choose between, please state the option which you choose.	
OPTION Research Period as a Visiting Scientist	
Please, indicate the preference or not to perform part of the proposed work in another institution, describing briefly the proposed work to carry out during that period, as well as the proposed length and preliminary preferable dates for the visit:	
Financial Information	
1. Required ESA support for post-doctoral position (max. €110000 per 2-year project)	<i>Euros</i>
2. Total contribution from Host Organisation (must be at least 30% of ESA contribution in 1.)	<i>Euros</i>
Final Overall cost	<i>Euros</i>

Annex B: Climate Change Initiative Fellowship Project Proposal

Additional Documentation required

- A letter from the Host Organisation supporting the candidate, the project proposal and
- A statement from the Host Organisation accepting the conditions without reservations the draft partnership agreement (Appendix 2 of the present call).
- A letter of support from institution hosting the candidate as a visiting scientist (where relevant)
- An additional letter of support from a key expert and scientist leading the group with which the candidate will be working, supporting the candidate and the scientific proposal.
- CV of the Candidate including their research experience in the specific area of interest for this proposal and the list of publications.
- Details of the financial proposal in PSS form (see ANNEX C).

Letters of support contact details	
Name and contact details of the reference person at the Host Organisation.	
Name and contact details of supporters. Please, attach all letters of support.	
Names and contact details of institution hosting as a visiting scientist (where relevant)
