

climate change initiative

→ CLIMATE MODELLING USER GROUP

CMUG support to the future evolution of Obs4MIPs

Amy Doherty

amy.doherty@metoffice.gov.uk

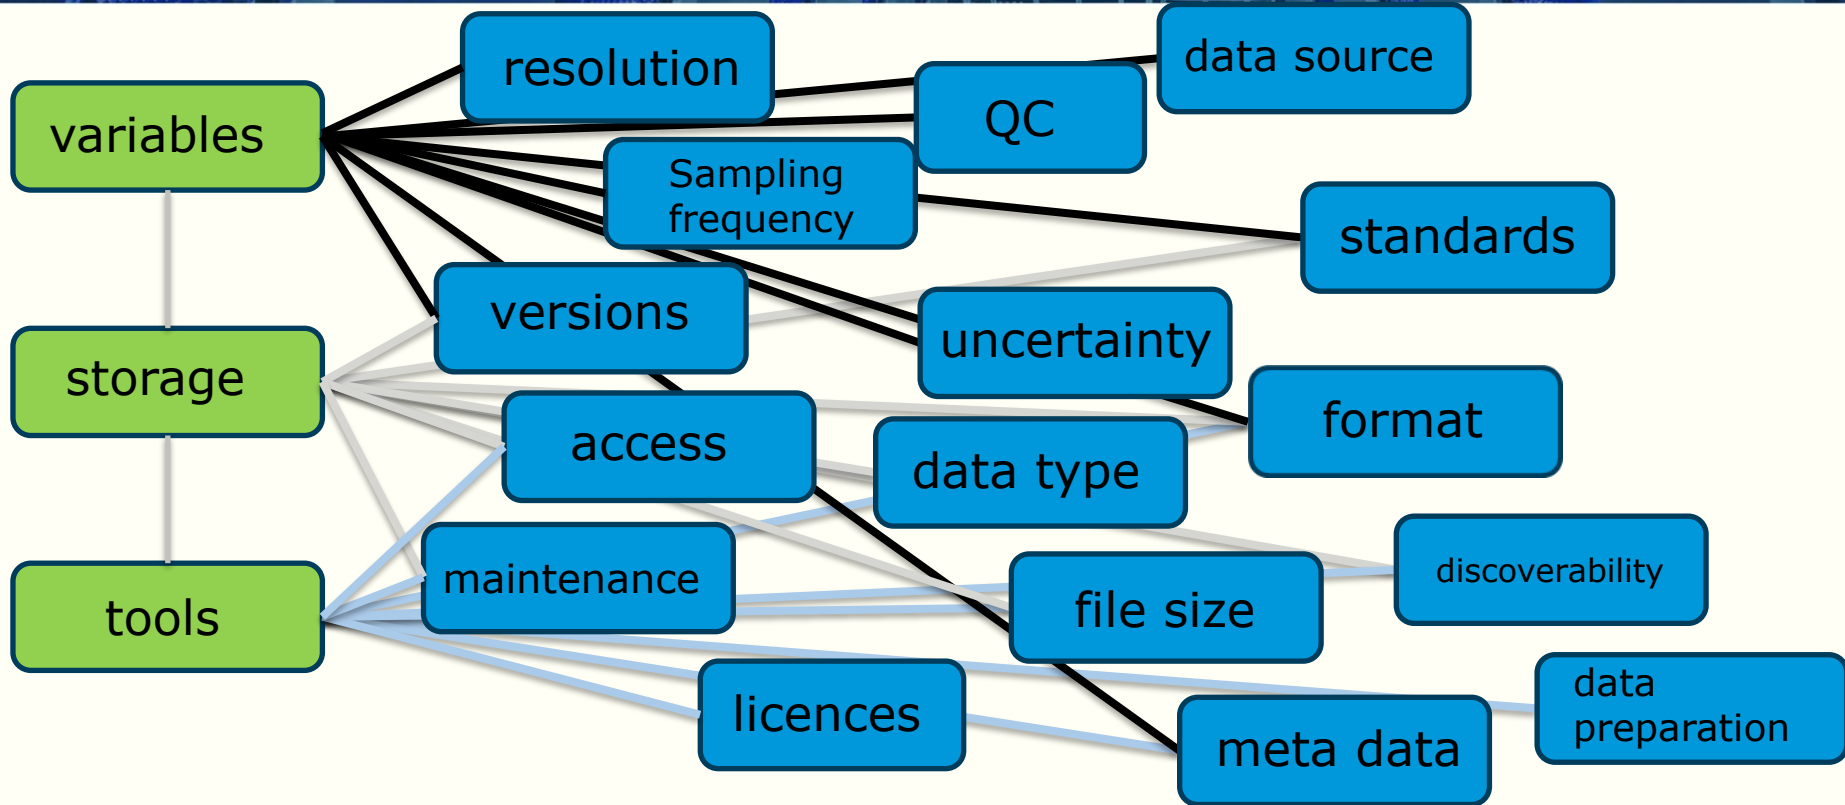

CMUG purpose:

To encourage and facilitate use of the CCI ECV datasets by the climate modelling community

CMUG deliverable:

Obs4MIPs user requirements and gap analysis report.

What is an ideal repository for a data provider?

What is an ideal repository for a data user?

- Variables
- Geographical coverage
- Temporal sampling
- Searchability
